## Costa Blanca North, Benidorm

Sunset Waves is rightfully one of the best residential complexes in Benidorm. It is located on the Poniente beach within walking distance to the sea, the beach and all city infrastructure. The complex is closed to outsiders, guarded and contains a complete residential infrastructure - outdoor swimming pools, one of which is acclimatized, a children's area with a pool, sports grounds, a gym with a sauna ... The territory of the complex is very large and comfortable for relaxation. The apartment that you can buy is located on the 20th floor, which provides it with a beautiful panoramic view of the sea. The apartment is practically new and was used by the owner as a second home for the winter months.
