## Costa Blanca North, Dénia

Exquisite and luxurious 262m2 villa, in one of the most international areas of the Montgó and bathed in sunshine, light and tranquillity all year round. On the ground floor there is a sumptuous and spacious 10m2 hall. Next, through a 1.4m pivot door, we find a very spacious, bright and sophisticated 40m2 living/dining room, with Italian designer lighting and views of the pool, as well as wooden shutters and doors leading to the terrace and garden. Ducted Mitsubishi air conditioning, radiators and a large custom-made Stûv wood stove. Next, we find a spacious 26m2 island-style kitchen. The countertops and integral sink are made of organic granite, there is an induction hob (80cm x 52cm) with extraction, integrated oven and dishwasher and a Miele washing machine with separate Miele dryer. Access to the terrace, garden and outdoor kitchen. Next, we find a bright and private master bedroom with a cozy, polished and natural wooden floor of 40m2 and next to it a spacious dressing room of 15m2, equipped with a variety of hangers, shelves, built-in drawers, removable shoe rack and wardrobes up to the full height of the ceiling and next to it, 1 en-suite bathroom of 12m2, with double marble sink, toilet and bidet, shower with marble tray, two full-length towel radiators and storage space. We also find on this floor, a second double bedroom of 16m2, with built-in wardrobes and drawers, wooden flooring accompanied by a full bathroom of 15m2, walk-in shower, dressing table with built-in storage space underneath, toilet. On the upper floor there is a beautiful and cozy reading room, with an artistic work that acts as a window, a bedroom with impressive views and a charming full bathroom, walk-in shower, dressing table, marble shelves and WC. It also has access through a large double window to an open corner terrace, with integrated lighting, of 25m2, with 360° views, where you can appreciate the entire Montgó in its splendor, the Castle and the Sea! Also part of the house is a lower floor where the 45m2 wine cellar is located. In this area we find a full kitchen of 35m2, equipped with granite countertops and a Smeg hob, as well as a living-dining room, with beams and stucco walls suitable for multiple uses and a beautiful and acclimatized 9m2 wine cellar. Outside the house we find a private 10x5 pool, a garden area with a very old 200-year-old olive tree, different fruit trees, such as bananas, lemons, passion fruits, etc. This entire garden is supported by an automatic irrigation and lighting system. We also find a beautiful outdoor kitchen made entirely of marble and granite, hand-made using ancient copper techniques that are quite rare to make or see today, followed by a storage room and a full bathroom. We can also find 3 parking spaces and a garage. And of course, there is a large naya with a beautiful living-dining room. The property includes central heating, a large wood stove, individually controlled ducted air conditioning, mosquito nets and shutters integrated into all windows, an alarm and a video intercom. The villa has a great feeling of space, freedom and is quite open-plan, due to its high ceilings. The villa is located 5-8 minutes walk from the centre of Denia and in a beautiful and quiet area of Denia.
