They say that blue is the color of calm and tranquility, and that is precisely what you will find in this beautiful ground floor house with sea views. The house, which comes with an equipped kitchen, garage and storage room, has a large extra space, ideal for the enjoyment of the whole family due to the infinite possibilities it offers. How would you like to transform it into a small private garden? Or an area for the relaxation of the whole family and pets? Let your imagination run wild and turn your large terrace into your favorite corner of the world! Equipped with the latest technology applied to comfort, the house has aerothermal air conditioning and thermal and acoustic insulation. We have used, both outside and inside the house, highly energy efficient materials. And if here you have the best holiday refuge at any time of the year with views of Benidorm, do not miss the common areas to which you will have access: swimming pools (one heated), jacuzzi, gym, paddle tennis court, children's play area, Coworking room, social club...
