Discover excellence at "Gemelos 28," a unique building located right by the Mediterranean Sea. This apartment features a spacious, comfortable, and bright living-dining room with access to two terraces, each approximately 15 square meters, one of which is frameless glazed. Both terraces offer stunning sea views. The cozy bedrooms come with built-in wardrobes, lined interiors, and high-quality acoustic insulation under the flooring. The kitchen is fully furnished and equipped, while the bathrooms are fitted with top-brand sanitary ware. The residential complex boasts outstanding common areas, including outdoor and indoor heated pools, a gym, sauna with changing rooms, social club, high-speed panoramic elevators, concierge service, and an individual alarm system. Parking and storage space are also included.
