Référence: R4596877 Terrain: 1 980m²

Costa Blanca North, Javea

Plots Direct has just been appointed to sell this exclusive south facing 1980m² plot in Javea. And the price includes design, building licence and construction of a 500m² luxury villa with two swimming pools. The location is 100% front line. This flat site lies at the end of a coastal cul de sac in a very private location. The views are stunning and so is the project. Please contact us for full details with the build specification and architect plans. Available through Plots Direct, this is the most spectacular plot and build currently listed for sale on the Costa Blanca.
