

Grond te koop in Javea, Javea

320.000 €

Referentie: R4389520 Plotgrootte: 1.006m²

Costa Blanca North, Javea

This is a good flat plot in Cap Negre, one of the spectacular peninsulas on the Javea coastline. The plot is classified Urbano and borders protected green zone land. The pavement has been constructed and the utility connections are in place. Located close to the beaches, the supermarket, bars, restaurants and the excellent tennis and padel tennis club. The plot has lovely south facing sea views to the Mediterranean.
