Costa del Sol, Benahavís

Perched high on a rare, flat 7.000 m² plateau in the secure enclave of Monte Mayor, this elegant cortijo-style estate offers a lifestyle that feels suspended between heaven and earth. A timeless retreat where the beauty of olive trees mingles with the sea breeze and where every window opens to pure poetry in the form of panoramic nature and endless sea views. With almost 700 m² of interior space, this south-facing residence is bathed in light and defined by serenity. Four spacious en-suite bedrooms, expandable to six, are complemented by generous living areas, a home cinema, games room, with poolside bar and barbecue corner that makes entertaining effortless. The architecture pays homage to Andalusian tradition, with a romantic patio and thick whitewashed walls and blue shutters that evoke memories of coastal villages in Greece. From sunrise over the Mediterranean to sunset behind the mountains, every moment here feels cinematic. Silence is only broken by birdsong or the distant rustle of deer in the surrounding forest. This is not just a home, it's a feeling, a perspective, a place to reconnect with beauty, nature and yourself. Welcome to the ultimate hideaway above Marbella. Call us and we'll take you on a private viewing.
