“Perfect location: just 10 meters from the sea.

This modern second-floor apartment with an elevator is not just an apartment..

it’s a lifestyle.

It has 3 spacious bedrooms, 2 full bathrooms (one with a shower and the other with a bathtub), a separate kitchen, a laundry room, and a living-dining room so spacious that you will want to invite all your friends. The terrace, with sea views, is that perfect corner for your quiet mornings or your nights with wine and good company. Ducted air conditioning, built-in wardrobes, elegant and warm granite flooring.

Natural light fills the space. And yes, it includes a parking space. There is no pool, but the Mediterranean awaits you just a few steps away. Literally. Additionally, there are nice restaurants, supermarkets, and bus stops. Everything at hand. Sold with furniture. This apartment conveys something special. Energy, calm, light..

The tourist license is not aloud in this community, so you will have a quite life here

And that is often what really matters.

Message me to schedule a visit.”
