We are proud to present this luxury 5 bedrooms and 4 bathrooms villa that will take your breath away! If you want luxury when it's at its best then this house is something for you! It doesn't get any better than this. Every little detail in this special house has been created with a lot of heart and soul. Everything from the special decorated beds in the bedrooms, the lovely 14 meter infinity pool outside, the well decorated plot and garden outside with old trees and palm trees. When you enter the house you come into a small hall that leads to the living room. Here is also a big table with seating places for up to 10 people. Here is also an open kitchen with supplies from Siemens. On this floor you also have a double bedroom and one bathroom. From the kitchen you have direct access to a lovely terrace overlooking the garden and the pool. Here a big family can have breakfast, lunch and dinner or just socialize during the day and evening. The second floor consists of one double bedroom with a direct access to a big balcony. On this floor there is also one more bedroom (also with access to a small balcony) and also one bathroom. The basement consists of 2 double en-suites bedrooms, a small laundry room and a garage which is today used as a storage. There is also a roof terrace on the top. This whole area is used for solar panels. These panels supply the whole house and garden with electricity. Which provides more electricity than the house actually needs. There is a water softener system installed in this house. This system prevents the formation of limescale deposits in the water pipes and it gives a longer durability to all the machines in the house. The lovely outside area and garden is just something else. The big 550 square meter plot consists of palm trees and beautiful cut trees. A big infinity pool. Sun beds, umbrellas and different seating areas. Located in the heart of Orihuela Costa, La Zenia is one of the most sought-after areas on the southern Costa Blanca. Known for its stunning sandy beaches, vibrant atmosphere, and excellent local amenities, it's the perfect place to enjoy the Mediterranean lifestyle.
