Light-filled penthouse with east-facing view and sunny terrace Welcome to this charming penthouse with fantastic light and open views, located on the fifth floor of a building with an elevator. Here you live in a pleasant and well-proportioned home with two bedrooms, a bathroom, and a living room and kitchen in an airy floor plan - perfect for those looking for easy-to-maintain accommodation close to both the city pulse and beach life. The generous east-facing terrace becomes a natural place for breakfast in the sun or relaxation on warm evenings. Thanks to the high location, light flows into the entire home and creates an inviting atmosphere. Air conditioning with both cooling and heating ensures a comfortable indoor climate all year round, and the built-in wardrobes in the bedrooms offer smart storage. The building dates from 2006 and is of a good standard, with a lift and well-maintained communal areas. The location is attractive with proximity to amenities, restaurants and the sparkling Mediterranean Sea. A home that is just as suitable as a holiday home as it is for year-round living. Welcome to contact us for more information or to book a viewing - we of course also offer digital viewings.
