DESCRIPTION

The villa is located on a corner property, with no direct neighbors, in a very private area.

The property consists of a two-storey main house with basement, guest house, heated saltwater swimming pool, summer kitchen with barbecue, enclosed pool area, basement with gym and karaoke room, dog house with workshop and garage. It has ample access for vehicles and a parking area.

DISTRIBUTION AND DESIGN

Main House

The villa is distributed over two floors plus a basement, offering spacious and elegant living. It features three bedrooms, five bathrooms, a large dressing room, a private office, and a beauty room, making it ideal for both comfort and lifestyle.

On the ground floor, a spectacular entrance hall with double-height ceilings and stained-glass windows welcomes you with natural light. The main living room includes a working fireplace with hand-painted golden details, while a second lounge area is designed for entertainment, equipped with a large TV and automatic blinds.

The modern kitchen is fully equipped with high-quality appliances by Gaggenau, including an American-style fridge and a large wine fridge, and connects directly to the terraces, pool, and summer house. A guest toilet and office complete this level.

The private study is set apart from the main living areas, offering an ideal environment for focused and quiet work.

If needed, the space can easily be converted into an additional bedroom.

Basement

The lower level of the villa is dedicated to leisure and wellness. It features a fully equipped gym for everyday training, as well as a karaoke studio with professional sound system, microphones, and a large screen—a perfect space for entertainment with family and friends.

Extras & Technology

The villa is equipped with the latest comforts and technology to ensure a luxurious living experience. It offers air conditioning (heating and cooling) and underfloor heating throughout, as well as double-glazed windows with electric blinds for both efficiency and comfort.

For entertainment, the house includes an 85-inch television, while video surveillance and a full smart-home system provide security and convenience. Connectivity is guaranteed thanks to fiber-optic internet with dual providers, always ensuring uninterrupted service.

Pool & Chill-Out Areas

At the heart of the estate lies the saltwater swimming pool with a heating system, perfect for year-round enjoyment. Surrounding the pool, a spacious terrace offers cozy chill-out areas, designed for relaxation and quality time with family and friends.

Terraces & Leisure Areas

The villa offers multiple outdoor spaces designed for both relaxation and entertainment. A fully equipped summer kitchen with automatic roof and BBQ makes it ideal for dining al fresco. The beautifully landscaped garden features over 60 palm trees and lush Mediterranean plants, all maintained with a domotics-controlled automatic irrigation system.

Entrance & Additional Spaces

The villa is accessed via double automatic gates a grand main entrance. The entire perimeter is secured with reinforced fencing, ensuring privacy and safety, while also adapted for pets.

A guest house with open-plan kitchen and bathroom offers independence and comfort, with beautiful views of Montgó and the main residence. The garage with storage room is equipped with an electric car charger, providing modern convenience.

For pet lovers, the property includes a dedicated dog kennel with cleaning area, covered open-air space, and a 36 m² workspace. The property has ample parking for 3–5 cars, completing the estate's functionality.

Location

The villa is located within 5 minutes' reach of La Sella golf course, several restaurants, as well as La Ermita Local Market supermarket.

Jávea – a Mediterranean sanctuary between the sea and the mountains.

This prestigious Costa Blanca destination blends the charm of a traditional coastal town with the comfort of an exclusive modern resort. Turquoise coves, over 300 days of sunshine a year, and the natural beauty of the Montgó Natural Park create an ideal setting for both relaxation and refined living.

The town is divided into three key areas – the historic Old Town, the lively marina, and the vibrant Arenal beachfront. Here you'll find top-class dining, international school Xàbia International College and a welcoming international community.

Jávea offers a premium lifestyle in one of the most desirable Mediterranean locations.
