The property also features a conservatory of approximately 30 m² , ideal as a living area, office, or creative space with stunning views. The penthouse offers an exceptional level of exclusivity thanks to its direct access via a private elevator , which lands directly inside the home, guaranteeing maximum privacy and comfort . The property requires a complete renovation , making it a unique opportunity for total customization , ideal for creating a luxury beachfront residence or a unique, high-value real estate asset. According to the owner's statement, the terraces may offer expansion possibilities, always subject to technical, urban planning, and administrative checks , which the buyer will be responsible for verifying.
