Costa Blanca South, Torrevieja

We are pleased to offer for sale this popular restaurant on a freehold basis. The location is a couple of minutes walk to the sea in Torrevieja, and not far from Punta Prima.

This is a successful restaurant with a great customer base and benefits from lots of repeat business. It has a Sunday lunch reputation and services various events for clubs and groups. The restaurant has 65 covers, but this could increase.

The restaurant currently opens early evenings 5-6 days per week dependent on the season. There is scope for more business if the new owners open for a breakfast or lunch service. The current owners have run the business successfully for a number of years and are getting ready to retire and are ready to hand over to a new owner to take advantage of the opportunity to take over a successful running business. As this is freehold there is no lease to consider which ensures the overheads are minimal and the profit is high. The restaurant runs at a good profit, which would provide a family with a stable income.

The restaurant is in fantastic decorative order and the kitchen is immaculate. The surroundings provide a lovely Spanish ambience. The new owner just needs to turn up with energy and imagination and take over. All the fixtures and fittings and stock will be included in the sale.
