

Residentiele Percelen te koop in Sierra Blanca, Marbella

2.350.000 €

Referentie: R5003113 Plotgrootte: 3.000m²

Costa del Sol, Sierra Blanca

A property to reform or demolish with sea and mountain views, situated on a residential plot of 3.000 m², south-facing and located near the prestigious communities of Sierra Blanca and Rocio de Nagueles, at the foot of La Concha mountain, just minutes from the Golden Mile, Puerto Banús, and all amenities. It is possible to build a 1,000 m² house including the basement. This flat plot has full infrastructure and services, making it ideal for building a large villa. The property has a reform license.
