Costa Blanca North, Javea

A wonderful family home or holiday villa that has been finished to the highest standard. This villa is extremely light and bright with large windows allowing natural light into the main living areas. The property has 4 bedrooms and a excellent garage and parking facilities. The garden is a beautiful feature of the property with a south facing orientation, we couldn't ask for more, a beautiful swimming pool and a idilic setting with grass and mature shrubs making the garden a fantastic place to relax and enjoy the villa, you also have a lovely shaded terrace. The villa also has a new outside kitchen with all facilities and outside shower facilities. The property is of good proportions being 252sqm of build, the main house has 3 good sized bedrooms with 2 bathrooms and the guest area (separate entrance to the villa) has a fantastic new bedroom and bathroom recently completed to a high standard. The rooms are all light and airy in particular the lounge, dining and kitchen areas. The villa is of high quality and as you would expect has central heating and air conditioning.
